1

## Log In to Workpartners

Log in or create your account with your Workpartners ID card. Go to the "Wellness" tab and select "Take a Healthy Step" to begin.

2

## Complete the Questionnaire

Start the program by taking the MyHealth Questionnaire. Your answers customize the activities you can choose to complete the program.

3

## Engage in Activities

Record activities like vision and dental exams, preventive screenings, daily movement, and eating meals at home to complete the program!
